Premier Management Systems

The image displays several overlapping windows from the Premier Management Systems software. The main window, 'Manager2 Inc', shows a menu bar with options like File, Edit, View, Setup, Utilities, Inventory, Training, Videos, and Help. Below the menu is a toolbar with icons for WIP, Quick Est, Shop, Counter, Schedule, User List, Reports, and Web. The main area displays customer information for 'Dino, Dino 1990 Toyota Celica GT (D11111) Home: 509-976-2625'. It has tabs for Customer, Vehicle, Order, Revision, and History. The Order tab is active, showing a table with columns for Time, Photo, Description, Qty, Extended, Sale, and Price. A 'Check Profit' window is overlaid on top, featuring a 3D pie chart titled 'Profit' with segments for Labor Cost, Parts Cost, Overhead, and Profit. To the right of the pie chart is a 'Summary Detail' table. Below the pie chart is a 'Report Selections' window with a list of reports such as 'Inventory List Price Deviation', 'Inventory Part Sales', and 'Inventory Returns'. A small window shows a product image of tires with a 'Package Total \$579.00'. In the bottom right, a maintenance checklist window is visible, listing items like 'SYSTEM HOSES & CLAMPS (1)', 'OIL', 'OIL FILTER', and 'AIR FILTER'.

	Sale \$	Cost \$	Profit \$	%
Labor	100.00	64.00	115.20	64%
